### **ABOUT ZOE TOKEN**

**We are set to herald this race to Humanity through this Medium and we hope to cut across the Globe to ameliorating the Nemesis of Evil Evolution which have made most Crypto Projects to go the other ways (Rug Pulled). As that is said, in the future Zoe will be venturing into Nft, Gaming, Dex and Staking Pool that will actually bring in more values to the token itself, looking forward to helping the poor, motherless, sick, those in third world nations that can not afford clean water, food, good medical facilities and climate change etc, Remember according to WHO (World Health Organization) in 18th June 2019 "1 out 3 persons globally do not have access to clean drinking water" this is what prompt Mr Beast to provide portable water to some community in Africa recently and alot go to bed without food, Zeo Team will help by visiting most of these Local Communities, in the future.**
